Thunder 4 SV

THUNDER 4 SV

1 SHELL

HIRP SHELL

Shell made of HIRP -High Impact Resistance Polymer-, a material that combines the best qualities with respect to the safety-weight ratio.

ECE 22.06

The Thunder 4 SV is updated not only to incorporate the best technical solutions developed by MT, but also to raise its safety standards to the highest level, exceeding the new European ECE. 22.06 regulation. It also has DOT homologation.

ECO-CONSCIOUS

We extend the life of the unit with removable elements that are easily replaceable.

2 VISOR

FOGOFF AND PINLOCK MAX VISION

Helmet compatible with Pinlock and Fog-Off anti-fogging systems.

QUICK VISOR SWAP SYSTEM

MT's patented system makes it easy to change shields in seconds, even with the helmet on.

SHIELD LOCK

Prevents unintentional opening of the shield in the event of an impact.

3 LINING

BLUETOOTH COMPATIBLE

Prepared to mount an intercom speakerphone system.

REFLECTIVE FABRIC

Light reflection system designed to be seen in the dark.

NEW STANDARD INTERCOM CAGE

The Thunder 4 SV incorporates a housing designed for UCS - Universal Communications System - intercoms, the new market standard.

REMOVABLE AND WASHABLE INTERIORS

All interiors of the Thunder 4SV are made of hypoallergenic fabrics removable and washable.

JARAMA

1 SHELL

HIRP SHELL

This helmet deserved a shield at the height of what can be expected from a model like this. Therefore, a shield has been designed to emphasize the retro aesthetics com-bined with the best functionality. It incorporates vents to promote internal cooling.

ECE 22.06

The MT Jarama is the first retro helmet to be homologated under ECE 22.06 regulations. And it already has DOT homologation.

ECO-CONSCIOUS

We extend the life of the unit with removable elements that are easily replaceable.

2 VISOR

FOGOFF AND PINLOCK MAX VISION

Helmet compatible with Pinlock and Fog-Off anti-fogging systems.

NEW SCREEN MECHANISM

MT Helmets' R&D department has designed a new quick release mechanism for the shield of the new Jarama.

SUN VISOR

Retractable SunVisor with a protection level close to 100% thanks to a system designed to attach to the Nose Deflector. This offers increased protection from light and prevents vision loss from glare.

3 LINING

BLUETOOTH COMPATIBLE

Prepared to mount an intercom speakerphone system.

NEW STANDARD INTERCOM CAGE

The Jarama SV incorporates a housing designed for UCS - Universal Communications System - intercoms, the new market standard.

REMOVABLE AND WASHABLE INTERIORS

All interiors of the Jarama are made of hypoallergenic fabrics removable and washable.

ATOM^{SV}2 SHELL

1 SHELL

HIRP SHELL

Shell made of HIRP -High Impact Resistance Polymer-, a material that combines the best qualities with respect to the safety-weight ratio.

ECE 22.06 AND P/J HOMOLOGATION

The new Atom 2 SV exceeds the demanding 22.06 standard and is also DOT homologated. This model is also P/J approved, which means that it can be legally ridden with the chin guard open.

ECO-CONSCIOUS

We extend the life of the unit with removable elements that are easily replaceable.

2 VISOR

FOGOFF AND PINLOCK MAX VISION

Helmet compatible with Pinlock and Fog-Off anti-fogging systems.

MT-EVA EXTENDED VISION AREA

As with the latest MT Helmets creations, this helmet features an extended field of vision. This increases both comfort and safety while riding.

MT-FSOS+ | FAST SHIELD OPENING SYSTEM + Automatic anti-fog shield quick release system. This helmet features a quick release system that automatically moves the shield to the anti-fog position.

MT-ESP | EXTENDED SUNVISOR PROTECTION Retractable visor system that covers the entire field of vision avoiding distortions due to light changes. It has a mechanism that allows quick and comfortable one-handed operation.

3 LINING

MT-3PPS THREE-POINT SUPPORT SYSTEM

The lifting system prevents the padding from coming in contact with other surfaces, enhancing their isolation and insulation and hygiene.

NEW STANDARD INTERCOM CAGE

The Atom 2 SV incorporates a housing designed for UCS - Universal Communications System - intercoms, the new market standard.
